

St. Rose Summer Enrichment Program Testimonials

“Thank you for bringing such a great summer program to Simi Valley. Having my son in your program makes me feel better about having to be away from him all day in the summer months. This is a perfect place for him and he’s having a much better time than he would have with me! He especially loved learning to golf!”

-John M. (parent)

“I was so thrilled to find St. Rose – it is exactly what I was looking for in a summer program for my daughter. Your program provides the type environment a child deserves to be in, and that parents can feel good about. It has given my child the opportunity to try new activities and learn new skills that she normally wouldn’t have attempted, such as archery.”

-Caroline S. (parent)

“Sending my kids to St. Rose’s Summer Program is one of the smartest things I’ve done as a parent. They come home so tired, but also happy, and with more skills than they had when they left the house in the morning. They even ‘cooked’ some of the dishes from the program here at home! They can’t wait to come back to St. Rose this year! “

-Debbie E. (parent)

“St. Rose’s Summer Enrichment Program is the best deal out there, and my kids love it! The fact that they are working with credentialed teachers makes me feel great, and the special care given to my kids makes them feel great! Truly an excellent program, one with a lot of heart.”

-Mike T. (parent)

“The fact that my son can get sports, cooking, arts & crafts, and everything else you offer in one place is amazing, and you’re right here in my neighborhood! My son loves the teachers and instructors there, and made a ton of friends! As a working mother, I don’t know what I’d do without the St. Rose Summer program!”
